The General Assembly,

Recalling Security Council resolution 968 (1994) of 16 December 1994, by which the Council established the United Nations Mission of Observers in Tajikistan, and the subsequent resolutions by which the Council extended the mandate of the Mission of Observers, the latest of which was resolution 1274 (1999) of 12 November 1999,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Noting with appreciation that voluntary contributions have been made to the Mission of Observers,

Mindful of the fact that it is essential to provide the Mission of Observers with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. *Takes note* of the status of contributions to the United Nations Mission of Observers in Tajikistan as at 30 April 2001, including the contributions outstanding in the amount of 2.1 million United States dollars, representing some 3.0 per cent of the total assessed contributions from the inception of the Mission of Observers to the period ending 15 May 2000, notes that some 32.8 per cent of the Member States have paid their assessed contributions in full, and urges all other Member States concerned, in particular those in arrears, to ensure payment of their outstanding assessed contributions in full;

2. *Expresses concern* about the financial situation with regard to peacekeeping activities, in particular as regards the reimbursement of troop contributors, which bear additional burdens owing to overdue payments by Member States of their assessments;

3. *Expresses its appreciation* to those Member States which have paid their assessed contributions in full;

4. *Urges* all other Member States to make every possible effort to ensure payment of their assessed contributions to the Mission of Observers in full and on time;

5. *Expresses concern* at the delay experienced by the Secretary-General in deploying and providing adequate resources to some recent peacekeeping missions, in particular those in Africa;

6. *Emphasizes* that all future and existing peacekeeping missions shall be given equal and non-discriminatory treatment in respect of financial and administrative arrangements;

7. *Also emphasizes* that all peacekeeping missions shall be provided with adequate resources for the effective and efficient discharge of their respective mandates;

8. *Endorses* the conclusions and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions,[3] and requests the Secretary-General to ensure their full implementation;

[3] A/55/880.

9. *Decides* to reduce the appropriation approved in General Assembly resolution 53/19 B of 8 June 1999 to 16,370,309 dollars gross (15,291,434 dollars net);

10. *Decides also* that, for Member States that have fulfilled their financial obligations to the Mission of Observers, there shall be set off against the apportionment, their respective share of the consequential unencumbered balance of 2,416,109 dollars gross (2,180,934 dollars net), in respect of the period ending 30 June 2000, in accordance with the compositions of groups set out in paragraphs 3 and 4 of General Assembly resolution 43/232 of 1 March 1989, as adjusted by subsequent relevant resolutions and decisions, for the ad hoc apportionment of peacekeeping appropriations, the latest of which were resolution 52/230 of 31 March 1998 and decisions 54/456 to 54/458 of 23 December 1999 for the period 1998-2000 and taking into account the scale of assessments for the year 2000, as set out in its resolutions 52/215 A of 22 December 1997 and 54/237 A of 23 December 1999;

11. *Decides further* that for Member States that have not fulfilled their financial obligations to the Mission of Observers, their share of the unencumbered balance of 2,416,109 dollars gross (2,180,934 dollars net) in respect of the period ending 30 June 2000, shall be set off against their outstanding obligations;

12. *Emphasizes* that no peacekeeping mission shall be financed by borrowing funds from other active peacekeeping missions;

13. *Encourages* the Secretary-General to continue to take additional measures to ensure the safety and security of all personnel under the auspices of the United Nations participating in the Mission of Observers;

14. *Decides* to include in the provisional agenda of its fifty-sixth session the item entitled "Financing of the United Nations Mission of Observers in Tajikistan".
